Bucksport. — DAVID HAMILTON; Oraage; — MICHAEL KELLER; Morris; — W. G. ALLENSON; Hockings; — DAVID NEWHORN; Rohnsburys; — Mathew M. Appleman.

We will furnish any person a copy of the *Physiological Journal* and the *Democrat* one year for four dollars.

CHEAP Dry Goods, Necessaries and Groceries, at A. Hartman's Store, opposite the Episcopal Church.

We will furnish the Democrat to all campaign subscribers, from now until after the election, for fifty cents in advance.

The article published in our last, under the heading of leading on the subject of "Summer Pruning," should have been credited to the *Conemaugh Democrat*.

E. W. WIGGINS & Co. will commence their next Term of Select School on Monday, the 5th of August, next, at their Rooms on Third Street. They have the reputation of keeping a good school.

NEW YORK STOCK — This stock is one of the permanent institutions of this town, of Peter Funk establishment, but the place to buy a first class article, or every description of Dry Goods is at his place.

When in Democratic times did it become necessary for men of the opposite party to hold stock in and manage control the management of newspapers for the Democracy?

Does it ever occur to the editor of the *Democrat* and *Columbian* to tell the truth occasionally? — *Reputation.*

Yes; but Dr. John does not consider it necessary to tell the truth at only three.

Sudden Death. — Mr. William Casat, an old citizen of Conemaugh, aged about 65 years, was found dead on Monday afternoon last, in the entry of his residence. His death was said to be the result of his sudden demise. — *Northumberland County Democrat.*

Thaddeus Stevens refuses to contribute any money to the fund for the erection of a "Home" in Lancaster city, unless the managers stipulated to admit colored children to the benefits of the institution, and the *Republican* of this place fully endorses the sentiment. See Dr. John's last paper.

BURLINGTON. — On Wednesday night of this week the house of Mrs. Mary Miller, on Chestnut street, in this place, was entered by one or more persons, and robbed of \$50 and a gold watch valued at \$200. There is no clue to the robbery. It is not high time that our "foregoing fathers" act on our suggestion and organize a night watch, or borrow some of Heister's doings — *Northumberland County Democrat.*

The Rules regarding our Delegates Elections required Delegates to be elected by BALLOT and not by any method process of by common consent of those in attendance at the place of holding the elections. Special attention should be given to this matter, as it sometimes happens that Delegates are chosen contrary to the wish of the Townships, through some pecuniary marking arrangement.

The Democratic Delegate Elections will take place in this County on Saturday between the hours of three and seven o'clock p.m. It is hoped that a full turnout of Democrats will be in attendance; and that they will select, as Delegates, the best men of the party, to form our Tide; one that all can unite on and give a hearty support; and in order to do that, no wile or policy need be selected.
